

A WHITESELL & MARTIN, INC. COMPANY

CAPABILITY STATEMENT

Utility-Scale Solar EPC Support · Marshall, IL · 2026

Dynamite R&D is a renewable-energy subcontractor specializing in **utility-scale solar EPC support** — structural welding, fabrication, heavy-equipment services, trucking and field operations from fabrication through completion. Backed by 100+ years of combined oil & gas and renewable-energy experience, with a culture built on **safety, quality and speed**.

◆ CORE COMPETENCIES

- **Utility-scale solar support** — structural welding of inverter supports & fabricated components to PE spec
- **Tracker systems** — ATI, Nextracker, Array Technologies, GameChange & Nevados (pre-construction, installation & remediation)
- **Inverter setting**, inverter cap welding & bolting, met tower installation
- **Solar pile remediation** & on-site fabrication
- **AWS-certified mobile welding** & rapid field repair
- **Heavy equipment services** — diagnostics, repair & preventive maintenance
- **Precision machining** & full fabrication shop
- **Heavy-haul & oversized equipment movement** — skilled lowboy drivers for tight county & township roads
- **Pre-construction & site electrical** — laydown yard, office & site electrical install
- **Pre-construction consulting** — constructability review across solar array systems
- **Warranty work, O&M & 24/7 emergency response**

◆ PAST PERFORMANCE

3.1 GW

SOLAR SUPPORTED

11+

PROJECTS

637 MW

LARGEST

Utility-scale solar field support delivered across **Illinois, Indiana, Michigan, Tennessee and Texas** — totaling approximately 3.1 GW of supported capacity. Client names and contract values withheld under NDA; detailed references available via our Form 1 on request.

◆ CERTIFICATIONS & COMPLIANCE

AWS D1.1 / SMAW

NCCER

OSHA

DOT & CDL

CPR · AED · FIRST AID

ISNETWORLD MEMBER

COMPASS / BESPOKE METRICS

IRA COMPLIANT

SIGNATORY · IUOE

SIGNATORY · IBEW

SIGNATORY · LABORERS

CERTIFIED WELDERS

LICENSED ELECTRICIANS

◆ DIFFERENTIATORS

- **EMR 1.0** with a zero-recordable-incident safety record
- Field support for several of the **top 5 renewable-energy EPCs** in the U.S.
- End-to-end: pre-construction, fabrication, installation, O&M & warranty
- **Signatory** with IUOE, IBEW & Laborers · **IRA-compliant since 2022**
- Certified welders & electricians — self-perform **welding, mechanical, electrical & civil**
- Full insurance package with additional insured & waiver of subrogation
- Structural welds verified by independent AWS Certified Welding Inspectors (CWI)

◆ INSURANCE SNAPSHOT

Commercial Auto (BI & PD)	\$2M CSL
Contractors Pollution Liability	\$5M / \$5M
Professional Liability (E&O)	\$2M / \$4M
Workers' Compensation	Statutory

Full certificates of insurance available on request.
